2022 SPONSORSHIP OPPORTUNITIES

Kardinya Junior Football Club was established in 1979. We have over 40 years of history in helping to grow our community of players and families.

The support from sponsorship plays a big part in enabling our Junior Football Club to focus on skills, development, sportsmanship and growth, while establishing a sense of community where all are welcome.

In 2022 we anticipate to have over 15 sides competing aged from Pre Primary through to Year 12, representing in both the Male and Female Competitions.

The majority of the funds we collect from our sponsors goes to purchasing equipment (jumpers, footballs, training equipment), Awards and Infrastructure to improve the Club where possible, while keeping our fees low and affordable for families in our community.

We are currently inviting Sponsorship for the 2022 season. Sponsorship is an excellent way to display support for your local community and is a vital part of running a successful, local sporting club.

A few of our sponsorship opportunities are listed below; however we can also offer a more tailored package to better suit the needs of your business, to allow for your budget, ideas or needs. Please feel free to contact us to discuss.
